“ Talmage and Hazel, I was so sorry to hear of Maxine's passing. I remember that she was at Valdosta High School and she and I had some classes together although I think she was a grade higher than I was. I am Esteen's sister

“ My deepest sympathy to you, Lori and Daddy Coody! Mrs. Coody was an awesome woman. From the day I met her I called her Mom. She watched me grow up from teen years with Lori Coody!
I was so blessed to be able to spend some valuable time with her on January. We reminisced about the great times You (Lori) and I had while growing up. I was also able to share pictures of my children and grandchildren with her.
She will greatly missed by many people!
