“ Donald was a great influence on my early career in the automotive industry. He taught me how to mount and dismount commercial tires, how to run a service truck, and how to take care of his customers. I also saw how he took care of his kids even after they were grown. He was the best man in our wedding at St. Johns in Valdosta in 1995. Store 2446 215 W. Hill Avenue lives on in my heart. Many of the lessons he taught me at the old Goodyear store I have passed on to the many employees and co-workers I have trained in the last 26 years. I am thankful to have had his influence in my life. Pictured are people he worked with at 215 W Hill Avenue. We used to post these on the Wall of Pride in the store. From the Gold Plate to the Cherokee, he led the way, a true legend in the tire business. You will be missed but you'll also be remembered.

“ Carl and Donald shared many good times together, Goodyear working days, dune buggy, always there for each other. ONE OF KIND ! Memories and stories to tell. A man of many gifted trade by working with his hands. Dear children know I love you all and your Dad was a hardworking man with a big heart. The condition Carl is in will not allow me to share this news. Hold to God's unchanging hand and one day you can be with him.
