“ Dear Brittany and Jeff, there are never the right words to say at a time of loss and mourning that can ease the pain. If there were, I would certainly say them. I just hope you can feel all the love that surrounds you today and always. I pray that God will comfort you and be your source of peace as you navigate these dark days. Thinking of you with sympathy — and here for you with loving support.

“ Brittany, I am so sorry to hear this news. Julie was a very special person. I enjoyed working with her for 10 years. At Thomas County Federal. She was not only a wonderful co worker, she was a wonderful friend and part of what I considered a work family member. She will be greatly missed, I look forward to that reunion we will have again in Heaven. Love and prayers to you and your family.

“ Brittany,  
So very sorry to hear of Julie's passing. She had been on the prayer list of FBC, Lakeland since you left. I know what you are going through. I lost my sweet mama less than 2 months ago. Praise God for the hope that we have to join with them again! My condolences to you and your family. Penny Parker

“ Thank you Mrs. Penny and I'm so sorry about your loss. Losing a mother is a grief all it's own. I cannot wait to meet them both in Heaven one day.

“ Julie was my first girlfriend, in 1982, when i had to leave for Army bootcamp. She and her sister Janet wrote to me every other day it seemed, always encouraging me and making me not feel so far away from home. I got moved out west, and life took its on course for the both of us. I never forgot her sweet smile and how loving and caring she was towards me, even as my life moved on. Heres you a smile im to share, for it has made me laugh and smile so many times since 1983. Julie and Janet would write me while i was in basic training, every other day it seemed, but we only would get it once a week. My cards and letters always smelled of sweet perfumes, and my Drill Sargent took note. He would stack my mail about every third one, so as to call me 6 or 8 seperate times to mail call so he could comment real loud about my (feminist) mail from two diff girls with the same last name. I missed her then, and often, and now. I hope everyone that was blessed to know her has good memories of Julie that will be with them all their lives as i have had. Henry M Collier
