“ I was so sorry to hear of Mrs. Martha's passing, She was always such a sweet lady and kept that South Carolina "lilt" in her voice through the years that I loved to hear. When she was able to get out and about, I'd see her in stores and we'd always stop and talk. She was a good friend of my Mama's years ago when my sister and Jim were in school together and they were grade mothers and involved in PTA and such. She was always very active in school and community functions when Jim was involved. She loved her family dearly, and I know that extended on through the years to her grandchildren and great grands. My thoughts and prayers are with you all. May God bless you.
