“ Melissa, Evans and Kimberly, I am so sorry for your loss! Your mother was an exceptional person. She possessed qualities of character that are becoming hard to find! She was honest, hard-working and very dependable. I don't know what Ray would have done without her at the pecan plant! Most importantly, she was a friend! We knew how much she loved all three of you as well as your dad! May God bless you with His peace in your time of grief! With much love, Brenda Register Carter
